

AMSTI Digital Review

Welcome to Activate Learning K-12 Curriculums. The login below will give you access to the Interactive Digital Edition (IDE) of all our products. With IDE students are immersed in an interactive environment, and engage with science as it incorporates audio, video, graphic simulations, writing, drawing tools, communication, and collaboration tools.

IQWST 6-8,
Open Sci Ed,

ONPAR,

High School
Active Chemistry, Active Physics, Earth Comm
